

**CLASSCOMM/CENS-US SOFTWARE UPDATE SUBSCRIPTION FORM**

We at **Interactive Education** value your customer highly and thank you for the purchase of the Interactive Response System and ClassComm and/or CenS-U's software which we trust will give you years of reliable service.

We are also conscience that software is forever advancing and additions and improvement being made to the software programme that your response system uses. Therefore to ensure you receive automatic software updates (these usually are released every six months), we are offering an Automatic ClassComm and/or CenS-U's **software subscription service** which covers all **Interactive Education** purchased Interactive Response Systems in one location.

If you would like to benefit from this service and place your order, please fill in the number of years you wish the subscription to cover for in the appropriate box below and fax back on: +44 (0) 870 043 4025
